

Design Board Special

Design Board for all your HDU needs!

DesignBoard

Tough, weather-resistant HDU Design Board is a lightweight, High density polyurethane board(HDU). Its closed cell structure makes it completely waterproof, allowing for the application of almost any finish. Ideal for the sign industry.

- Available in 10, 15 and 18 pcf (pounds per cubic foot).
- Moisture and insect resistant.
- Extremely durable for exterior use.
- Resistant to cracking, warp, decay and rot.
- Easy to prime and finish.
- Machines easily with conventional woodworking and carving chisels.

	Regular Price	Blowout Price
